

**WE DONATE  
15% TO BEAP  
WHEN YOU ORDER AT  
[www.regattacraftmixers.com](http://www.regattacraftmixers.com)**

To our Regatta Craft Mixers Community,

Our hearts go out to everyone that has been affected by these difficult circumstances, including all of our neighborhood bartenders who have helped make our brand what it is today.

Effective immediately, we will be donating 15% of all online sales to the US Bartenders Guild's Bartender Emergency Assistance Program (BEAP) through the end of April. In addition, we will continue to waive shipping fees on all online orders in the US until further notice to help get our products more easily to people who cannot gather at their favorite bar.

We hope this helps support the bartender community and their families during this difficult time until bars and restaurants can open again.

To learn more about the USBG Bartender Emergency Assistance Program or to help by making a donation, please [click here](#).

Stay strong and remain safe,

The Regatta Craft Mixers Team
